Quality Policy

McCrae Training Limited provides a range of training and consultancy services to the UK & Irish Utility/Construction Sectors.

It is committed to satisfying the needs of our customers and other interested parties whilst maintaining legal compliance and minimising business risks using its Business Management System based on the requirements of ISO 9001 (2015) Quality Assurance.

At McCrae Training, we strive to be the leading provider of training and consultancy services to the water, utility, and construction sector.

Our mission is:

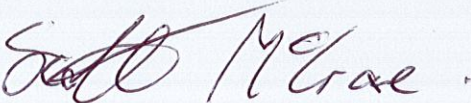

"To be the UK and Irish training provider of choice delivering high-quality training and people development services within the Water Industry, Utilities and Construction Sectors."

We will accomplish this through our focus on the evolving requirements of our customers, through consistent compliance with the ISO 9001 (2015) Quality Standards and all relevant statutory and regulatory requirements.

The Management System of McCrae Training has been assessed and certified by SGS as meeting the requirements of ISO 9001 (2015) Quality Standards for "providing a UK Wide Training and Consultancy service, providing e-learning platforms, modern apprenticeships, health and safety and industry specific training to sectors such as water, utilities and construction".

McCrae Training is also committed to continually improving its Management System and has therefore established objectives and targets which are communicated throughout the organisation, reviewed regularly, and then reported at least annually.

The above policy is communicated, understood, and applied within the organisation, available to interested parties, as appropriate, and is also reviewed at Management Review Meetings to ensure its continuing suitability.
